

KEEPING OUR COMMUNITY SAFE

GROUP SWIM LESSONS GUIDELINES

We are so happy you're back! Here are our current procedures for group swim lessons to make this a fun and safe experience for all participants and staff:

- Group swim lessons are only open to active, current full-facility members. If your membership is on hold, please click [here](#) to take it off hold.
- Prior to attending your first group swim lesson, you will need to e-sign an updated Membership Waiver and Code of Conduct. Click here to [sign](#) (you will need to enter the barcode number on your membership keytag and last name). This only needs to be completed once by one individual within each Couple or Family Membership.
- Advanced online registration is required [here](#) under Daxko Program Registration. At this time, participants may sign up for only one class per child per week. Guests and Nationwide members are not permitted at this time.
- Credits/refunds will not be given on group swim lessons unless the Y cancels the program. Make-up classes also will not be available.
- Come prepared dressed in swim attire including aquatic footwear such as flip flops or water shoes, with your own towel and goggles. The Y will not be able to provide goggles. Locker Rooms will be available for changing after the swim lesson is completed. Lockers will not be available to store personal belongings. All personal belongings must remain with you while in the facility. Once on the pool deck, you will be provided with a designated area for your belongings while you swim. Restrooms will be available.
- Bring your own water bottle. Water fountains will not be accessible at the Y.
- Please plan to arrive no more than 10 minutes prior to the start of your swim lesson.
- One adult per child will be allowed into the YMCA building to either participate in the class with their child or view the class (please no siblings/strollers).
- Face masks are required throughout the facility, including the pool deck, at all times, except when in the water. When you arrive, please put on your face mask before approaching the main entrance. Please note that foot coverings (flip flops, water shoes, etc.) must also be worn in the building and anywhere on the pool deck.
- Before entering the Y, all staff and members must participate in a health screening near the main YMCA entrance. Here, our health screener will take your temperature, ask you a few simple health questions and have you sanitize your hands. If your temperature is 100.4 degrees or higher or you answer yes to any of the health screening questions, you will not be allowed access to the Y. Members are encouraged to self-screen prior to coming to the Y.
- Scan IN with your membership card at the self-scanning station to the left of the Welcome Center desk.
- One-way traffic patterns have been implemented to promote social distancing. Follow the arrows to Pool 1 and check in with the Deck Ambassador who will provide a bin for your belongings. There will be a space on the pool deck for your bin. Personal belongings must remain with you for the entirety of your class. All members are asked to shower prior to entering the pool. The Deck Ambassador will guide you to the shower. After showering, check in with the Deck Ambassador who will direct you to the appropriate lane and ask that you proceed to your assigned lane by following the one-way directional signage.
- Remove your mask and foot coverings, place them with your belongings, and get into the pool. Do NOT wear a face mask in the water due to the increased safety risk.
- Enjoy your swim lesson! Swim lessons are presently limited to a maximum of 30 minutes per lesson. There will be time in between each swim lesson to allow for cleaning of the pool deck between swim lesson start times.
- When finished, head to your designated belongings area, put your face mask/covering and foot coverings back on, gather your belongings and prepare to exit the pool area. The Deck Ambassador will guide you to the Locker Room where you will be able to change. Showers are not available at this time.
- Follow the directional signage to exit—being mindful to maintain distance from other members. Before leaving, please scan OUT at the self-scanning station at the Welcome Center.

**THANK YOU FOR YOUR COOPERATION AND UNDERSTANDING.
WE LOOK FORWARD TO SEEING YOU AT THE Y!**
