SCHOOL AGE CHILD CARE POLICIES FOR INCLEMENT WEATHER

DELAYED OPENINGS	EARLY DISMISSALS	SCHOOL CLOSINGS
On days that the Scotch Plains-Fanwood Schools announce a delayed opening, the Y Before School Program will not be offered. Children will need to report directly to their school at the delayed opening time.	<p>The Y will provide the After Care Program on early dismissal days for days that are noted on the district calendar (the program will either be at our main Y building or your child's school, please read our emails for location).</p> <p>However, the Y After Care Program will not operate on a day that the Scotch Plains-Fanwood Schools announce an early dismissal due to inclement weather or other emergencies. All children will need to be picked up from their school at the time of early dismissal.</p>	When the Scotch Plains-Fanwood Schools announce that school is closed due to inclement weather, or another emergency, the Y will not run a program that day.
*Credit is not given for days your child does not attend or for days the program does not open due to emergency closings, delayed openings or early closings. Days can not be rescheduled.		

For more information, please call the Fanwood-Scotch Plains Y at 908-889-8880 or check our website (fspymca.org), or our Facebook page (facebook.com/fspymca) for up-to-date information.
