THE FANWOOD-SCOTCH PLAINS YMCA

OUR MISSION

The Fanwood-Scotch Plains YMCA is dedicated to improving the quality of life of the individuals, families and communities we serve through programs and services that build wholeness of spirit, mind and body.

Y FOR ALL

The YMCA is not-for-profit organization founded on Christian principles, serving people of all ages, races, faith, cultures and socio-economic conditions. We are dedicated to creating a culture of diversity, inclusion and equity and aim to create a Y community where everyone feels safe, welcome and celebrated.

HERE FOR YOU

We are proud to offer financial assistance for those who qualify. Funding is provided, in part, through donations to our annual support campaign. Each year, we award scholarships that allow local individuals and families to participate in membership and programs such as summer camp, child care, swim lessons, chronic disease prevention and more. We couldn't do this without the support of our community.

OUR HISTORY

For over 75 years, the Fanwood-Scotch Plains YMCA (FSPY) has been a cornerstone of the community. Initially a branch of the Plainfield YMCA, the Y operated out of the Baptist Church on Grand Street in Scotch

Plains and served as a gathering place for children and teens.

Later, FSPY broke away from the Plainfield Y to establish its own association and expanded by buying land on Martine Avenue in Scotch Plains. Over the course of the next 50 years, the Y expanded upon its Martine Avenue site, undergoing three major capital campaigns. The expansion afforded the growing community with a full-size gym, Wellness Center, two full-size pools, a Preschool wing, community and multi-purpose rooms, two kitchens, a dance studio, offices, board room and parking lot. This year, we are embarking on a new building expansion project that will allow us to best serve our community for generations to come.

COMMUNITIES WE SERVE

We serve close to 5,000 individuals in our service areas of Fanwood, Scotch Plains and Clark. The majority of our members either live or work in these communities and surrounding areas.

WHAT WE STAND FOR

The Fanwood-Scotch Plains YMCA provides opportunities for individuals and families to learn, grow and thrive by committing to our three focus areas:

FOR YOUTH DEVELOPMENT

Because we believe all kids deserve the opportunity to discover who they are and what they can achieve, our programs teach children and teens the values and skills that lead to positive behaviors, better health and educational achievement.

FOR HEALTHY LIVING

Because we believe we have a responsibility to make a positive and measurable impact on the community's health, we develop programs centered on the balance of spirit, mind and body. Our offerings bring families closer together, encourage healthy lifestyles and foster connections with others.

FOR SOCIAL RESPONSIBILITY

Because we believe in fostering the care and respect all people need and deserve, we will thoughtfully listen and aggressively respond to our community's most critical social needs.
