Description

COOK & GROW - Entering Grades 1-4

A fusion of gardening and cooking. Weekly topics will be related to what is taking place in our garden. Participants also will learn how gardening and sustainable practices can impact our lives and our world. Using the harvest from our Square Foot Garden as inspiration, participants will follow recipes and learn various baking techniques. Focus will be on making foods that are healthy, seasonal and kid friendly. COOK & GROW - Entering Grades 1-4 A fusion of gardening and cooking. Reminders

- You must enroll for the camp based on the grade your child is entering in September 2024, not the grade they are currently in
- You can only register for one camp at a time so if you are doing multiple camps you would just choose one to start with, but you can do multiple weeks of the same camp at once
- You cannot do an enrichment and then go to traditional the same week, if you want a full day, below are the options are below per week
 - Full day traditional camp OR
 - AM Enrichment with Lunch Club with PM Enrichment (must register for all 3 to do a full day)
 - Full day enrichment (there are 2 full day enrichment options this summer)
- You can enroll in different camps throughout the summer as long as the camp is for the grade your child is entering in September 2024
- The deposit and membership fees are non-refundable
- The deposit is transferrable prior to April 1, 2024, if space allows
- After April 1, 2024 the deposit is non-refundable and non-transferrable
