CHANGING LIVES
ONE PERSON AT A TIME

Safe spaces for kids to learn and grow. Senior programs to help combat social isolation. Our LiveSTRONG at the YMCA program for cancer survivors. Donations to our Annual Campaign help us support our neighbors through life-enhancing, vital programs and services.

Last year, our Y gave out $161,000 in financial assistance to local individuals and families. These donations supported scholarships for a variety of programs and services offered at our Y including: child care; after school care programs; swim lessons; summer day camp; chronic disease prevention programs; health and wellness offerings for individuals of all ages, and so much more.

This would not be possible without our generous donors.
